When to Order

We custom produce your plants, therefore your order must be received at least 6 weeks before your preferred shipping date. We produce a finite quantity for each shipping date and must stop accepting orders when that number is reached, which is often well before the 6 week cut-off so don't wait too long to place your order!

Plant Shipping Method & Costs

Orders arrive via the U.S. Postal Service Priority Mail from your regular mail carrier. You don't need to be home or sign for the delivery - however, you must be able to open the package and handle the plants the evening they arrive.

1-10 Plants \$9.50

21-30 Plants \$17.00

41-50 Plants \$27.50

11-20 Plants \$12.50

31-40 Plants \$22.50

51-60 Plants \$34.00

Minimum Plant Orders

The minimum plant order that we can accept is \$30.00, not including tax or shipping. ***The minimum does not apply to book or Dahlia Seed orders.***

Book Orders

Books are shipped all year, separately from plants. They are shipped immediately upon receipt of credit card orders or after your check has cleared our bank. There is no minimum order for books.

Discounts

We will give you a 10% discount on plant orders over \$150.00, not including tax or shipping. ***Gift Certificates, Collections, Dahlia Seed, and books are not discounted.***

We routinely ship an "extra" plant for every 10 plants ordered. This will be something similar to the original order or your specification.

Substitutions/Refunds

We rarely fall short of meeting orders. We've met 95% of orders over the last three years. However, during the order process you will be asked if you will allow substitution and to offer some suggestions. If so we are very generous and will send plants of greater value. If not you will receive a refund check with your order.

Cancellations

Orders cancelled six weeks before the shipping date will be refunded with a 10% handling charge. Orders cancelled less than six weeks before the shipping date will be refunded with a 50% handling fee.

Local Customers Wanting to Pick Up Their Dahlias

We welcome locals to pick up their dahlias! Please write in PICK UP in the space for shipping total. We will notify you via email when your plants are ready and you can call us to schedule pick up
